Dear Harold:

I was pleased to learn from your letter of April 21st, that Attorney Chernikoff is continuing to inquire into your case. I hope that he will conclude there is sufficient basis to proceed with a medical malpractice lawsuit.

I shall look forward to receiving the evidentiary items that Jim Lesar has. By the way, I have invited Jim and Bud to participate in the Pittsburgh JFK program in November, 1988, so we can definitely count on having this important piece of evidence (along with many others, of course) presented at that seminar.

With kind regards.

Sincerely,

Cyril mb
